

Grade 3 Semester 2 Overview

This semester in Mathematics Grade 3 will be studying measurement, time, fractions and shape for our maths topics, and we will also be continuing with our numeracy work.

In English we will be continuing with creative writing, spelling and literacy and our focus will be writing for different reasons, such as lists, reports, posters, and letters. We will also study basic grammar.

In Science our topic is forces and motion for term 1 and animals, plants and ourselves for term 2.

For History we will be looking at the Vikings, and finding out about how different life was then.

In PSHE we will continue with the bullying program and also spend some time working on manners and politeness.

For Environmental studies, we will be discussing our place on the earth and the importance of taking care of our planet, including recycling, pollution and endangered animals. We will also be planting vegetable seeds.
